Research, Development and Production Review Board

084836

- I. A special meeting of the Research, Development and Production Review Board was held in the OC Conference Room at 1430 hours on 8 August 1956. The following persons were in attendance:

25X1A

1. This meeting was held to consider Research and Development priorities as related to the Fiscal 1957 Budget. The report of the Ad Hoc Committee appointed for the purpose of developing such Research and Development priorities was read and discussed. The Board concurred in the recommendations as to priority categories. It was determined that in all probability it would be possible to carry on development of those items placed in Category I and Category II during the current fiscal year.

2. The Executive Secretary, at the direction of the Chairman, read a memorandum directed to the Executive Group of the DD/P Materiel Board and an attachment thereto which is a proposed memorandum to the Director of Communications and to the Chief, Technical Services Staff, DD/P. The subject of this memorandum is "Common Design and Performance Characteristics." After considering this memorandum, the Board's action was as follows: The contents were noted and when appropriate and practicable, design criteria outlined in the subject memorandum will be considered.

- II. The Meeting adjourned at 1600 hours. The next meeting of the Board will be that of the Ideas and Requirements Panel and will be held on 15 August at 1430 hours.
